Outdoor Products

Bronze Medal

XLM, a line of PVC deck boards, now includes a Desert Bronze color. The color's streaking helps it emulate natural hardwoods, the maker says.

TimberTech. 800.307.7780. www.timbertech.com.

Detail-Oriented

In New World Stoneworks' Natural Stone Facing System, water and sand are used to shape stone according to an approved design plan. The stones are then numbered and delivered to the jobsite ready to install. New World Stoneworks. 508.278.7060. www.newworldstoneworks.com.

Wide Format Screens for Architectural Openings

- Converts open areas into a screened room when needed
- Screen retracts when not in use
- Solar and privacy mesh available
